Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

FRAT Returned Checks Policy

There is a \$30.00 service charge for returned checks. Payment of entry fees and service charges for returned checks shall be made in cash or money order before checking in at the event.

FRAT Refund Policy

There will be no refunds under \$5.00 for overpayment of entry fees.

Refunds for Bitch in Season, Injury, or Illness

Withdrawal of a bitch that comes into season after the closing date is eligible for a 50% refund (vet letter not required.) Withdrawal due to injury or illness after the closing date is eligible for a 50% voucher for entry at future FRAT USDAA trials provided a veterinarian's letter is provided within one week of the trial. In such instances the secretary MUST be notified by phone or e-mail, no later than Thursday, March 6 at 8:00 a.m. False reports warrant refusal of entries at future FRAT trials. Any other withdrawals after the closing date will not be eligible for refund.

Refunds for Moveups to Unscheduled Class

Refunds will not be given for a moveup that advances the team to a class that is not offered on that day of competition.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

IFCS MEASURING

All dogs competing in the 12", 16" or 20" height classes MUST be measured before the start of competition.

The measurement obtained shall be considered final for purposes of the Intent to Compete form.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

Check-In Times

COMPETITORS MUST CHECK-IN / HAVE DOGS MEASURED at the site during check in time on your first day of competition. Dogs not presented for check in at these times WILL NOT RUN!

Friday, Saturday & Sunday Check-In: 7:00-7:45 am

Judging times are listed in the Tentative Schedule. Please check your final confirmation for details.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Bitches in Season Allowed at this Event

Bitches in season will be allowed to compete at this event within the following parameters:

- The secretary must be notified (mardee.kayser@gmail.com) as soon as the competitor knows their bitch is in season or will be in season at the event.
- Bitches must wear panties at all times on the show grounds, including in the crating areas, outside on the way to potty areas and while competing. By doing so, no adjustment in running order will be necessary and other exhibitors with intact dogs can easily recognize the condition of the bitch.
- Failure to comply with these provisions is subject to review of the Disciplinary Action Committee as set forth in Appendix C of the Rules and Regulations. For more detail on this policy go to http://www.usdaa.com/ruleReg_eBook.cfm.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Masters Challenge Biathlon

This Biathlon consists of two classes; Masters Challenge Standard and Masters Challenge Jumpers. While these two classes will count as titling runs, they also form the biathlon where scores will be converted to time plus faults. After the two classes, scores will be combined to calculate those dogs in each jump height earning eligibility by posting an overall score in the top 25%. A dog scoring an elimination in either class will be eliminated from Biathlon award contention.

See complete rules at www.usdaa.com.

IFCS CLASSES

These World Team Selection Event classes are open only to those competitors who filed an Intent to Compete form by the deadline of August 15, 2017. Classes consist of IFCS Biathlon (Agility and Jumping) as well as IFCS Agility, Jumping, Gamblers and Snooker where IFCS points will be awarded. All WTSE classes are non-titling. The dog must be entered in these classes at their IFCS jump height.

Jump Heights w/cut-offs for Team Selection Classes:

- 12" "Toy" Jump Height = 30cm - for dogs that measure 30cm (11-13/16") or less at the withers
- 16" "Mini" Jump Height = 40cm - for dogs that measure 40cm (15-3/4") or less at the withers
- 20" "Midi" Jump Height = 55cm - for dogs that measure 50cm (19-11/16) or less at the withers
- 24" "Maxi" Jump Height = 65cm - for dogs that measure greater than 50cm (19-11/16") at the withers

IFCS candidates should use the IFCS entry form found in this test schedule for their IFCS candidate dogs. They should use the regular entry form for non-IFCS candidate dogs.

The IFCS 2018 USDAA/USA World Team Selection Process and Intent to Compete Form may be found at http://www.usdaa.com/rulesReg_eBook.cfm.

Team & Versatility Pairs Measure-up Policy

The handler of a dog entered in Team or Versatility Pairs must notify the secretary immediately should their dog be required to jump a higher height by virtue of the judge's measurement. The dog must jump the higher jump height in order to be eligible to earn a qualifying score in the tournament. If entered in Team, the dog may not be moved to Versatility Pairs. If the handler chooses *not* to have their dog jump the higher height, their entry is effectively withdrawn. The competitor may or may not run for exhibition only (earning no qualifications) solely at the discretion of the event secretary; there shall be no refund of fees paid.

If the change in height makes the dog ineligible for their team (three jump heights), the secretary will make every effort to form complete teams from dogs available. A move-up in height for dogs in Versatility Pairs does not affect their team composition, but may result in a change in their position in the running order because of the height composition of the Pair.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm which are downloadable from www.usdaa.com/rulesReg.cfm
